

» **Digitalizarea** infrastructurilor de transport »

VIAPIX SYSTEM ESTE O COMANIE SPECIALIZATĂ ÎN PROIECTAREA ȘI INTEGRAREA SOLUȚIILOR DE ÎNALȚĂ VALOARE TEHNOLOGICĂ, PENTRU INVENTARIERA ȘI DIAGNOSTICUL INFRASTRUCTURILOR DE TRANSPORT.

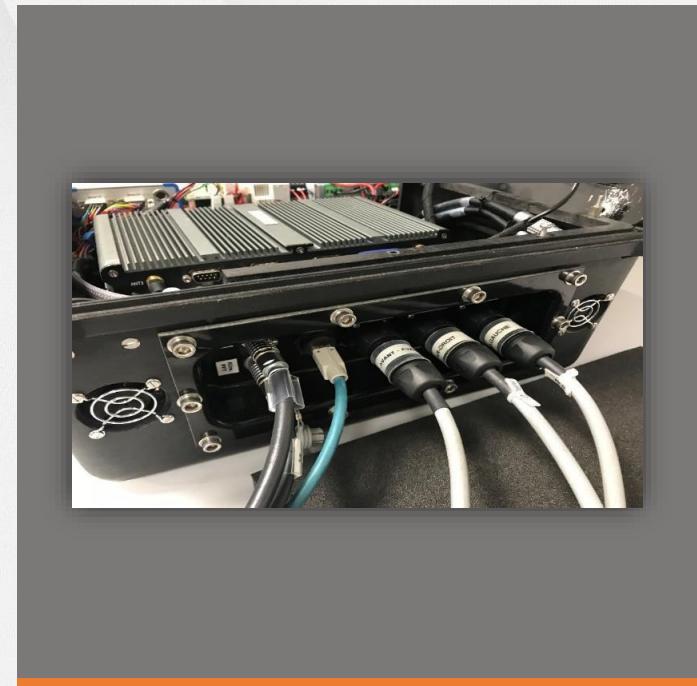

SOLUTIA VIAPIX

PROCESARE INTELIGENTA

CENTRUL EXPERT

» SOLUTIA VIAPIX »

## SOLUTION VIAPIX

» O gama unica de echipamente de achizitii si solutii de procesare a datelor

VIAPIX-Achizitie

VIAPIX-DLP

VIAPIX-PFT

VIAPIX-GEO

VIAPIX-LCMS

VIAPIX-EXPLOATARE

## VIAPIX-ACHIZITIE

### » Fotografii panoramice

- Capturi de imagini de 180° sau 360°
- Geolocalizare hibrida in timp real
- Corectie diferențiată DGPS sau RTK optională

### » Echipament

- Lejer
- Transportabil
- Transpozabil

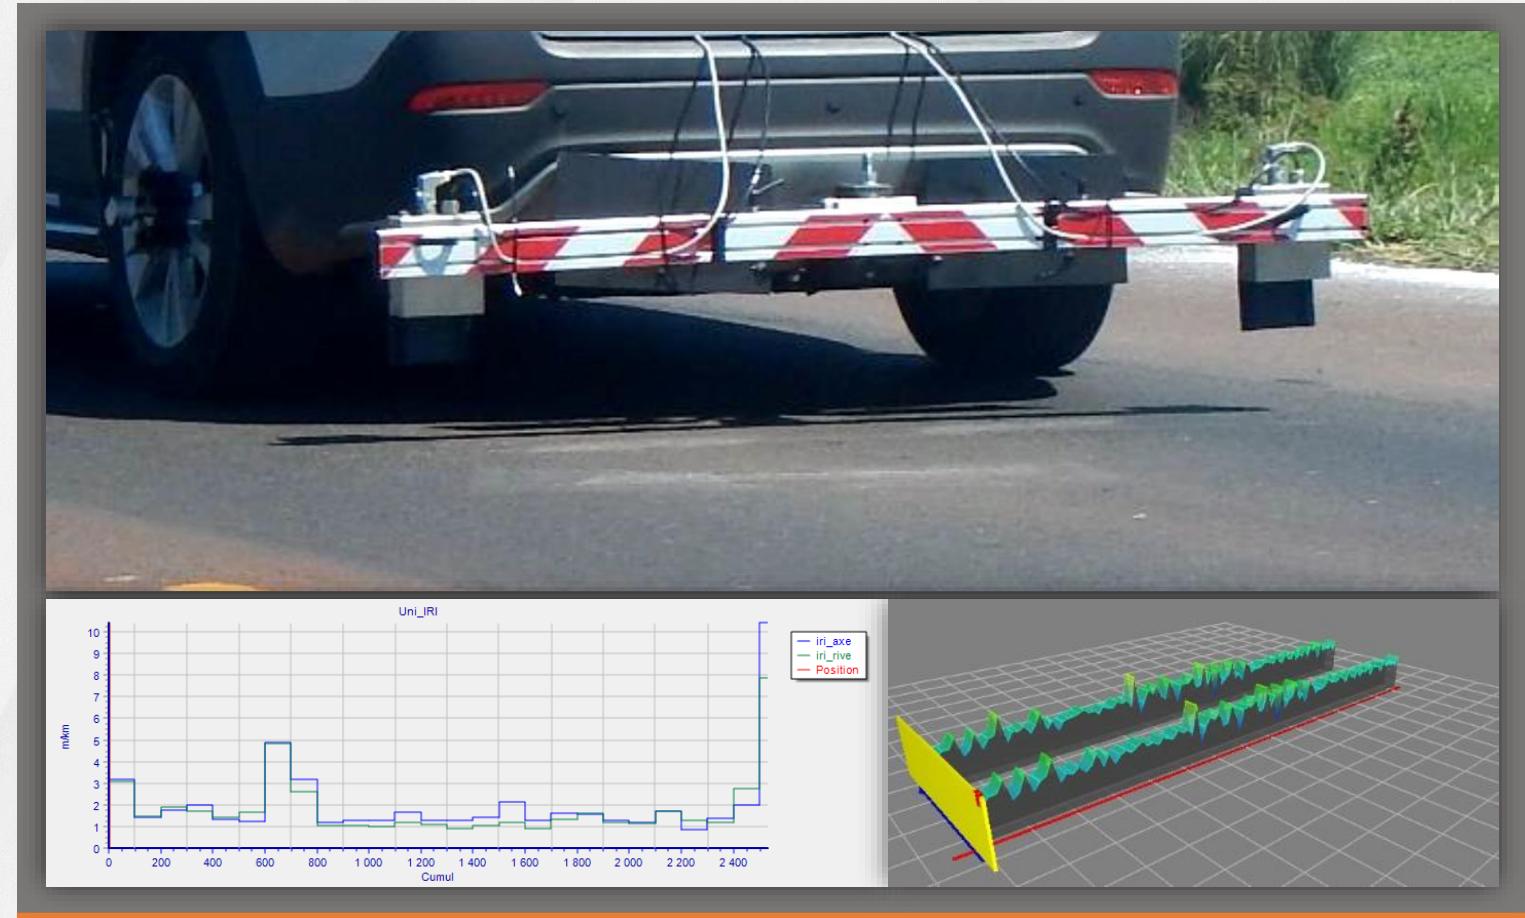

### » Controlor de achizitie pentru dispozitive multifunctionale

## VIAPIX-DLP

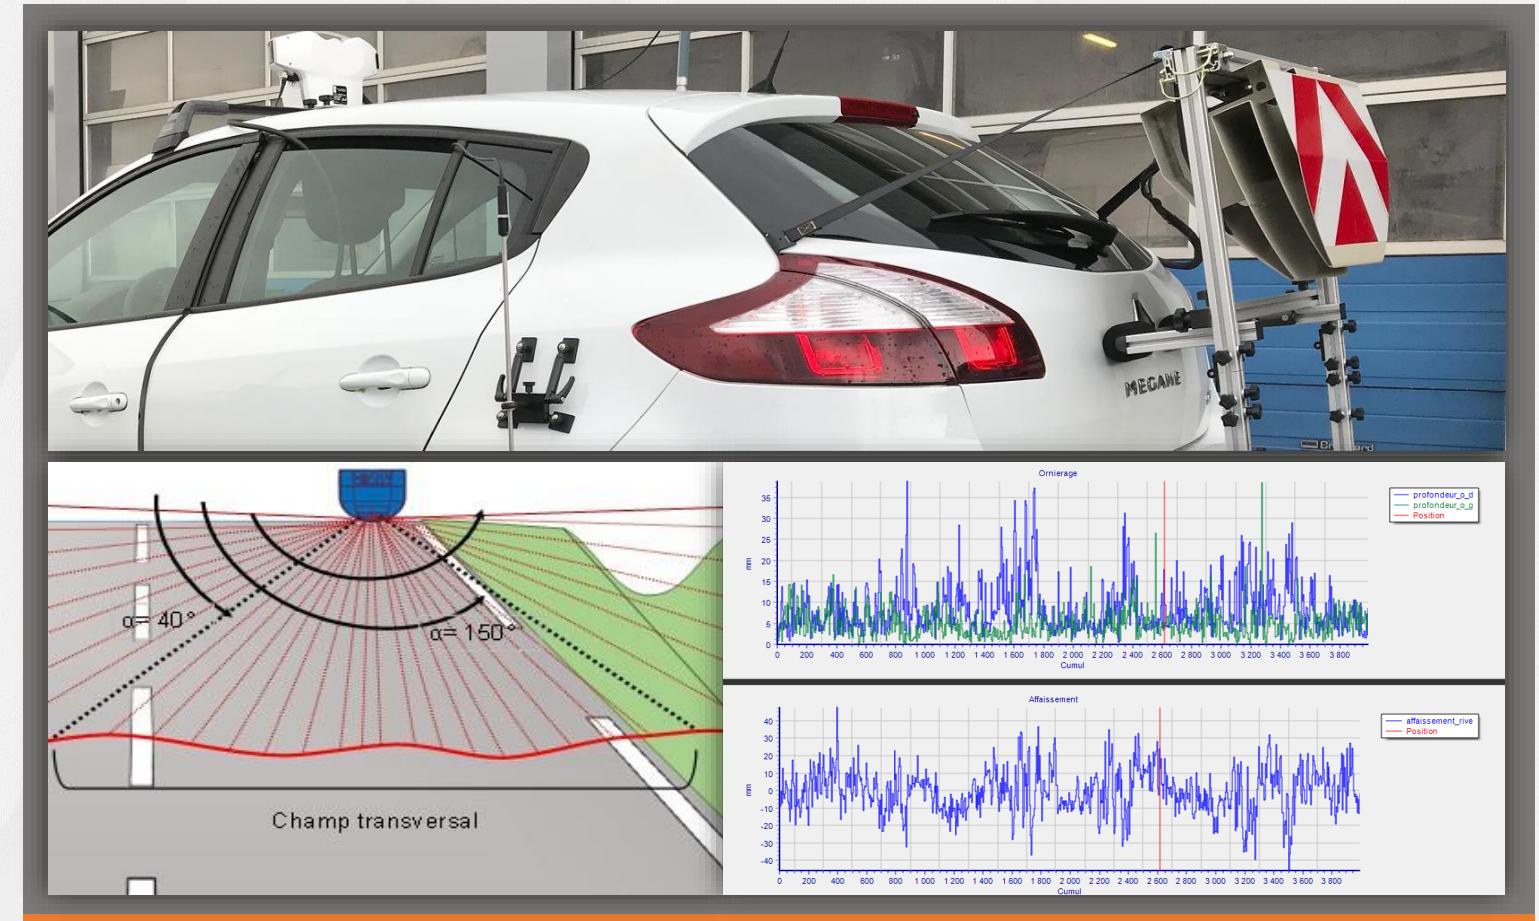

- » Masurarea profilului longitudinal
  - **Confortul si siguranta utilizatorilor**
  - **Evaluarea duratei de viata a trotuarului**
- » Masurarea macrotexturii
  - **Aderenta**
  - **Evacuarea apei**
  - **Zgomotul de rulare**
  - **Consumul**
- » Echipament **compact si portabil** fara depasire de greutate

## VIAPIX-PFT

- » Masurarea profilului transversal
  - Afectarea marginii drumului
  - Bombarea drumului
  - Deformare totală
  - Abateri de planeitate
  - Deteriorari provocate la rularea autovehiculelor grele
- » Echipament compact și portabil, fără depăsire de greutate

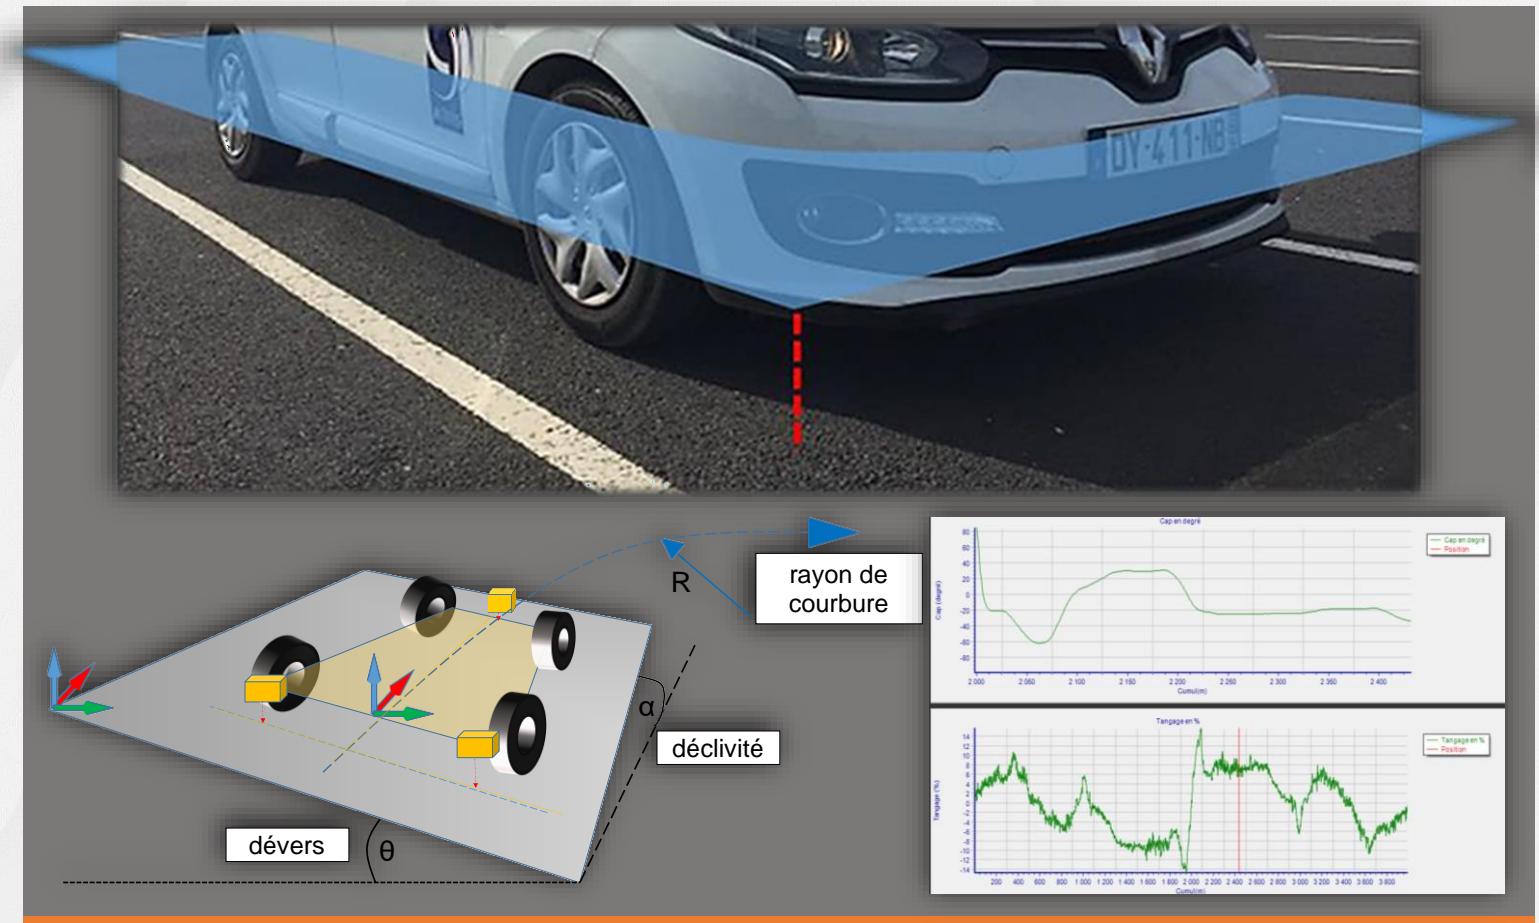

## VIAPIX-GEO

» Caracteristici geometrice ale benzilor de circulatie

- Panta
- Inclinare
- Raza de curbura

» Echipament integrat, fara depasire de gabarit

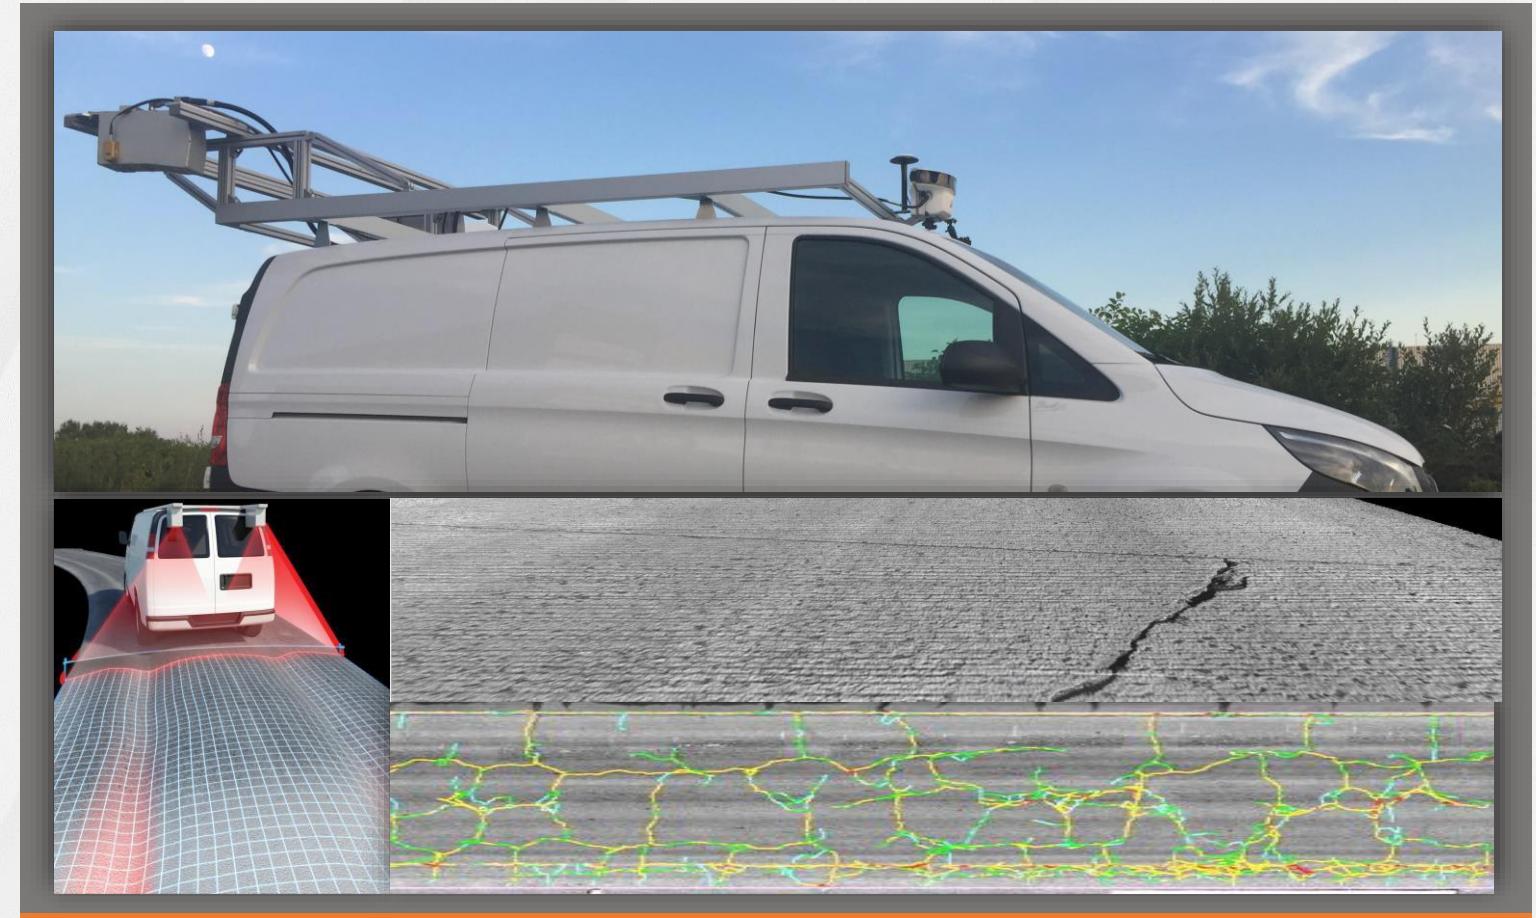

## VIAPIX-LCMS

» Caracteristicile functionale ale soselei :

- **Degradarea suprafetei** (fisuri, gropi, rupturi, deformari, ...)
- **Profil transversal**
- **Macrotexture**
- **Uni longitudinal (IRI)**
- **Panta si inclinare**

» Citiri de inalta rezolutie cu randament ridicat

## VIAPIX-EXPLOATARE

### » Prelucrarea datelor pe teren

- Constituirea bazei de date
- Referinta absoluta
- Citirea si masurarea in imagine
- Cartografie
- Import/Export S.I.G.

### » Vizualizator on line

- Vederi imersive
- Masurare si geolocalizare
- Link de cartografiere web

»PROCESARE INTELIGENTA»

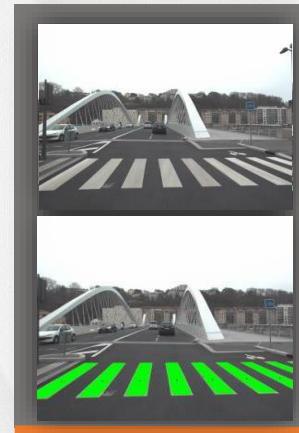

## PROCESARE INTELIGENTA

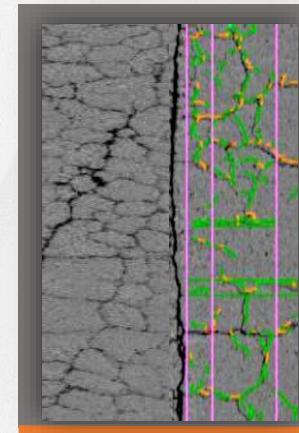

» Aplicatii si servicii automate de procesare, recunoastere si codare

INVENTARIERA  
SEMNELOR  
RUTIERE  
VERTICALE  
(SV)

INVENTARIERA  
SEMNELOR  
RUTIERE  
ORIZONTALE  
(SV)

SITUATIA  
GENERATA  
AUTOMAT A  
DEGRADARILOR

MODELARE 3D

IMAGINI  
ORTO

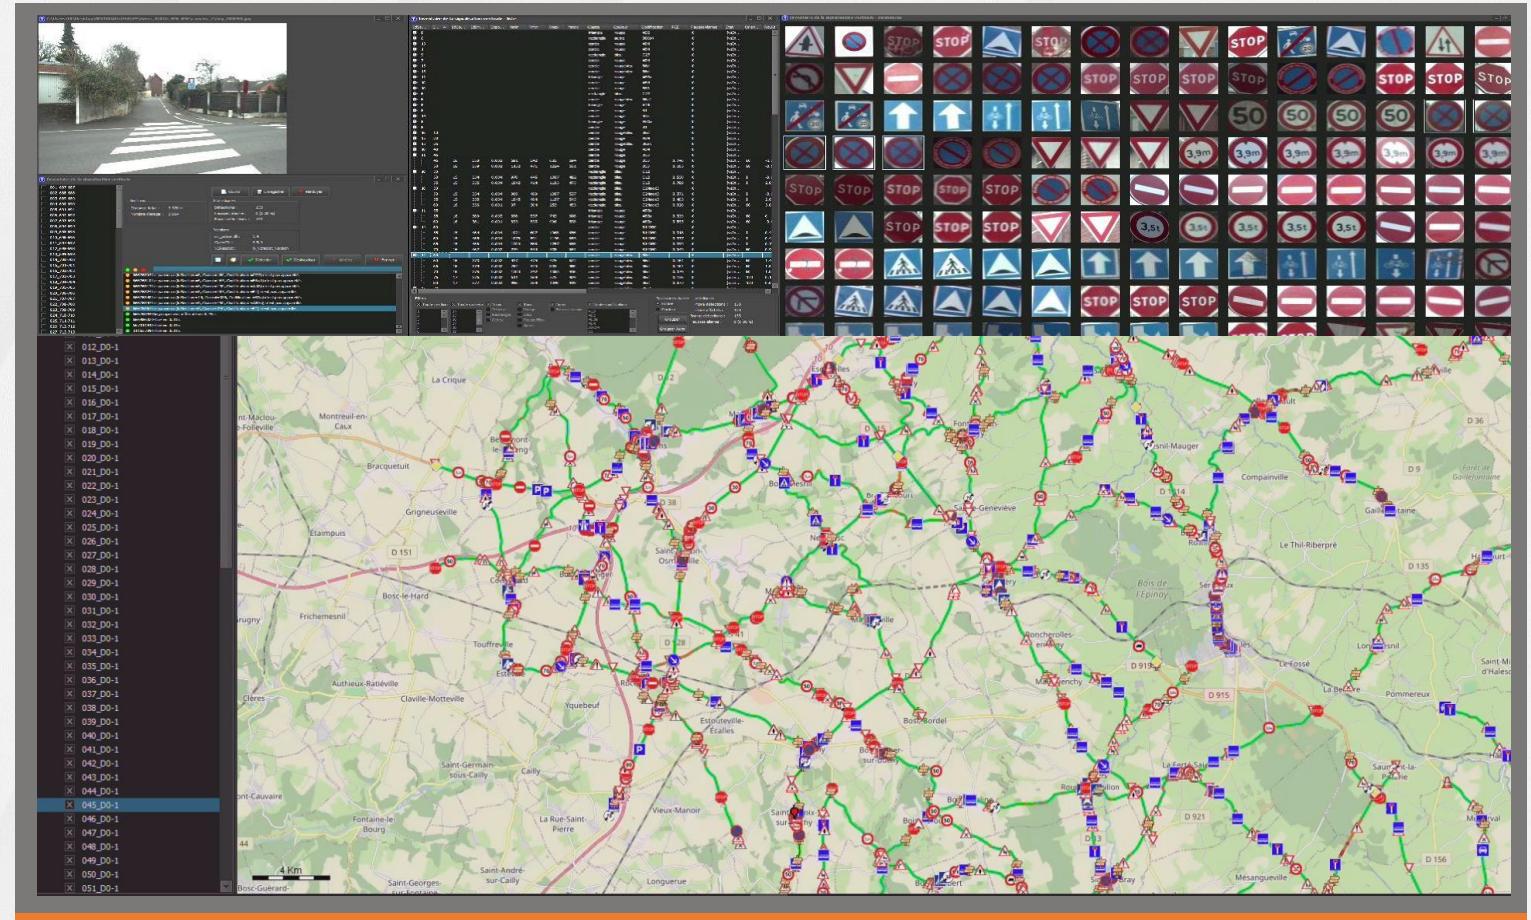

## INVENTARIEREA SEMNELOR RUTIERE VERTICALE

» Inventarierea automata a semnelor verticale (SV) :

- Politie
- Directie
- Semafoare
- Balize

Cu ajutorul **inteligentie artificiala**  
(Computer vision – Deep Learning)

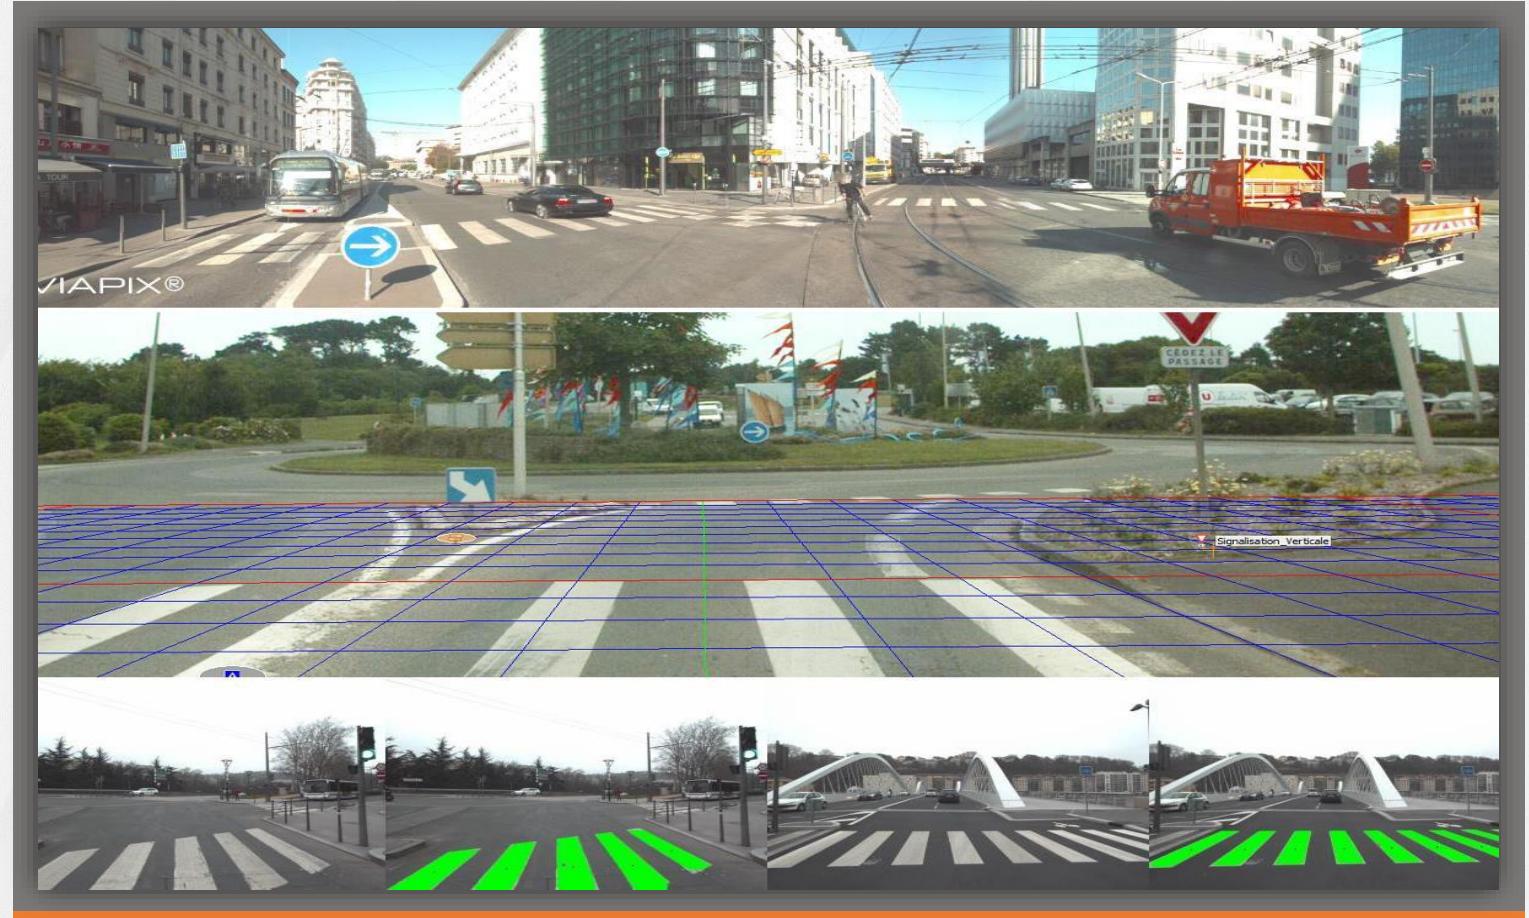

## INVENTARIEREA SEMNELOR RUTIERE ORIZONTALE

» Inventarierea automata a semnelor orizontale (SH) :

- Marcaj punctat
- Marcaj continuu (in curand)
- Marcaj discontinuu (in curand)

Cu ajutorul **inteligentei artificiale**  
(Computer vision – Deep Learning)

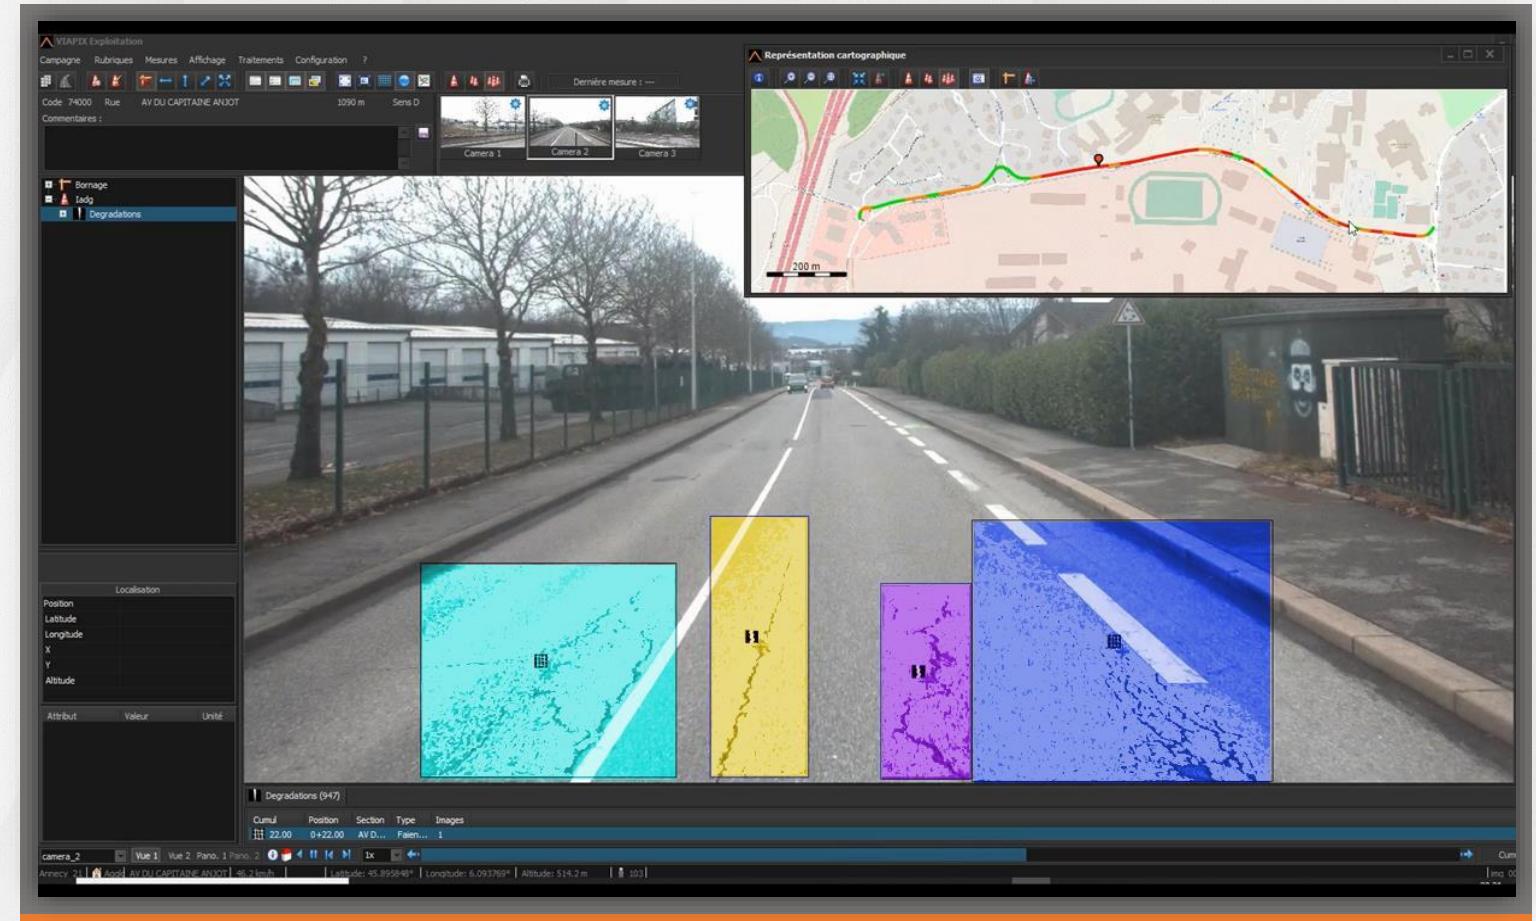

## EVALUAREA DEGRADARILOR

- » Evaluarea automata a pagubelor observate pe drum :
- **Analiza si calificarea defectelor**
  - **Clasificarea patologiilor**
  - **Evaluare in zona omogena**

Prin intermediul **inteligentei artificiale**  
(Computer vision – Deep Learning)

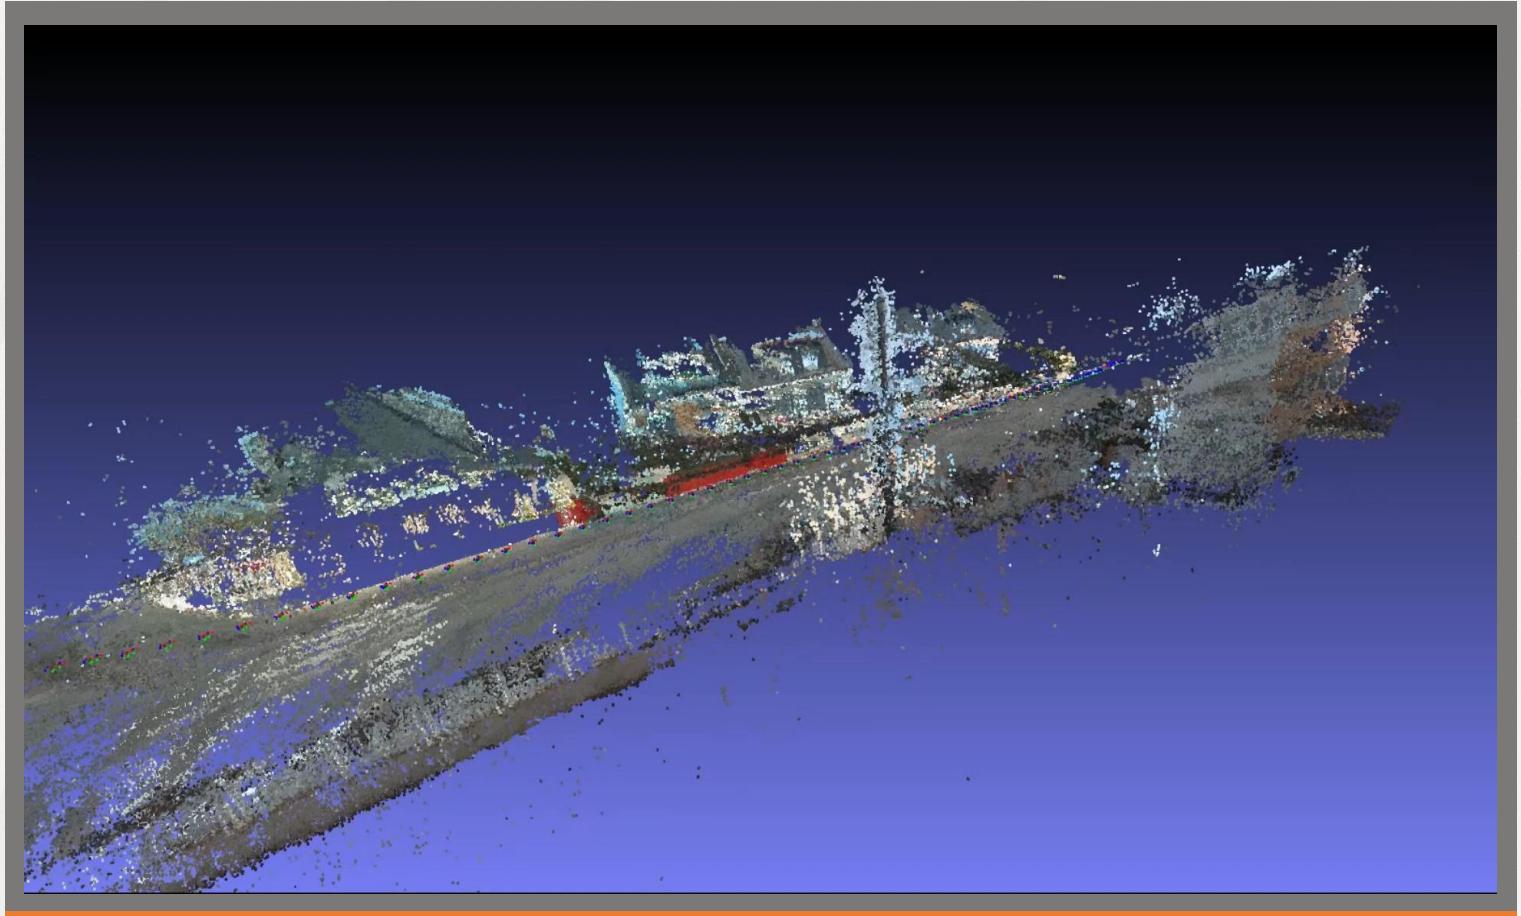

## MODELARE 3D [1/2]

### » Reconstituirea scenelor 3D

- **Fotogrametrie (fara LiDAR, pe baza imaginilor VIAPIX)**
- **Calculul structural al punctelor**

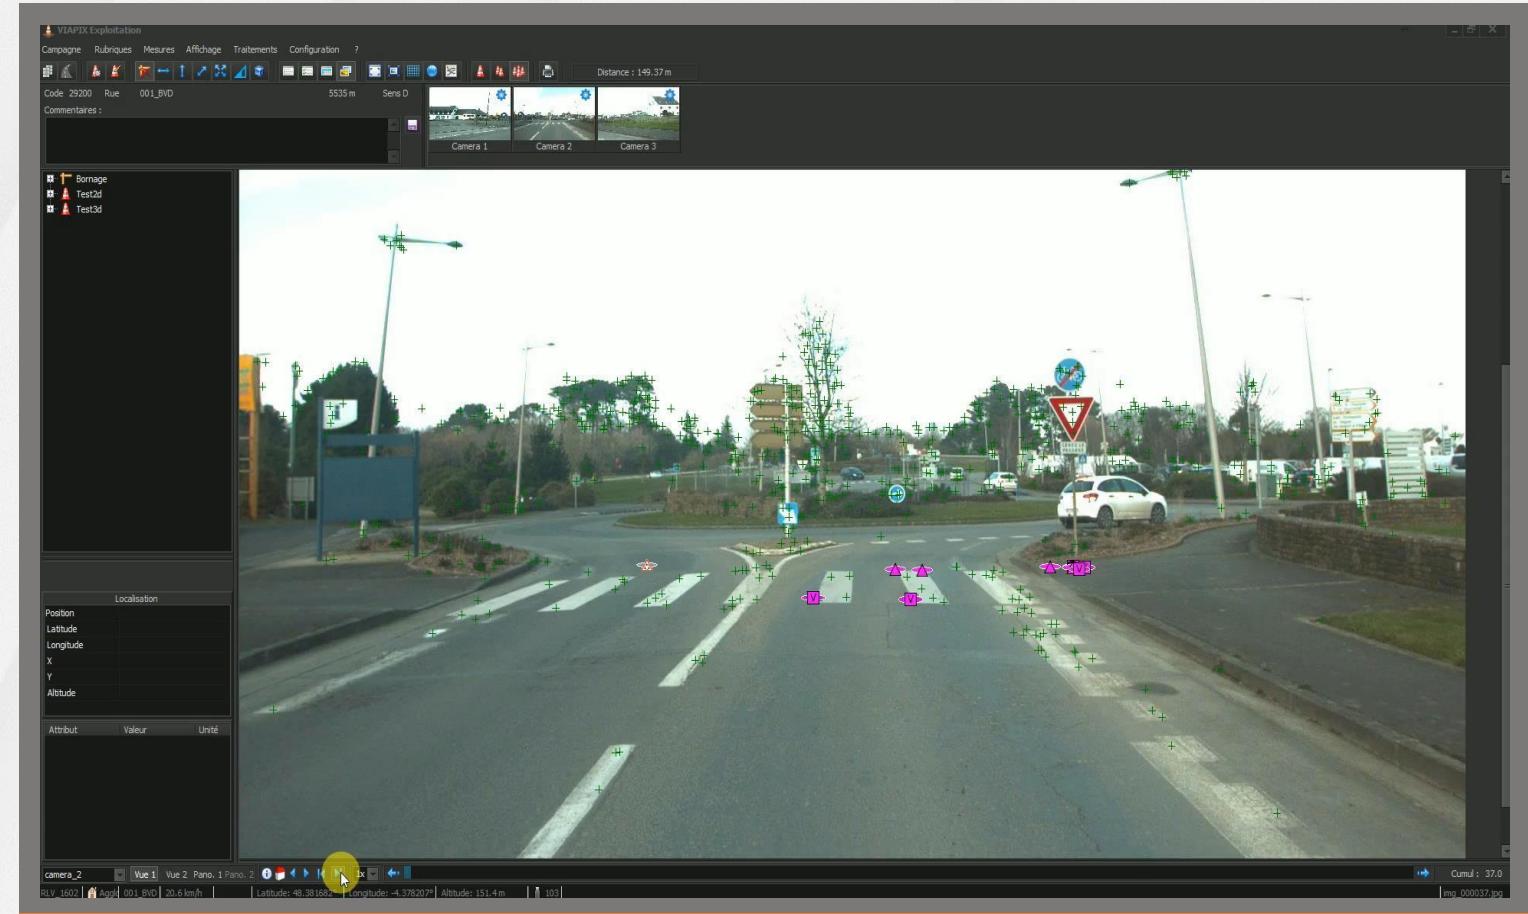

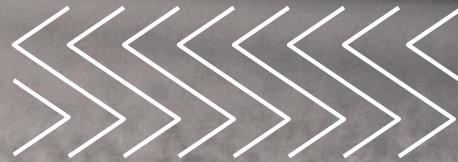

## MODELARE 3D [2/2]

### » Proiectie 3D in imagine

- **Masurare in afara planului carosabilului**
- **Producerea datelor SIG**
- **Geolocalizare de inalta precizie**

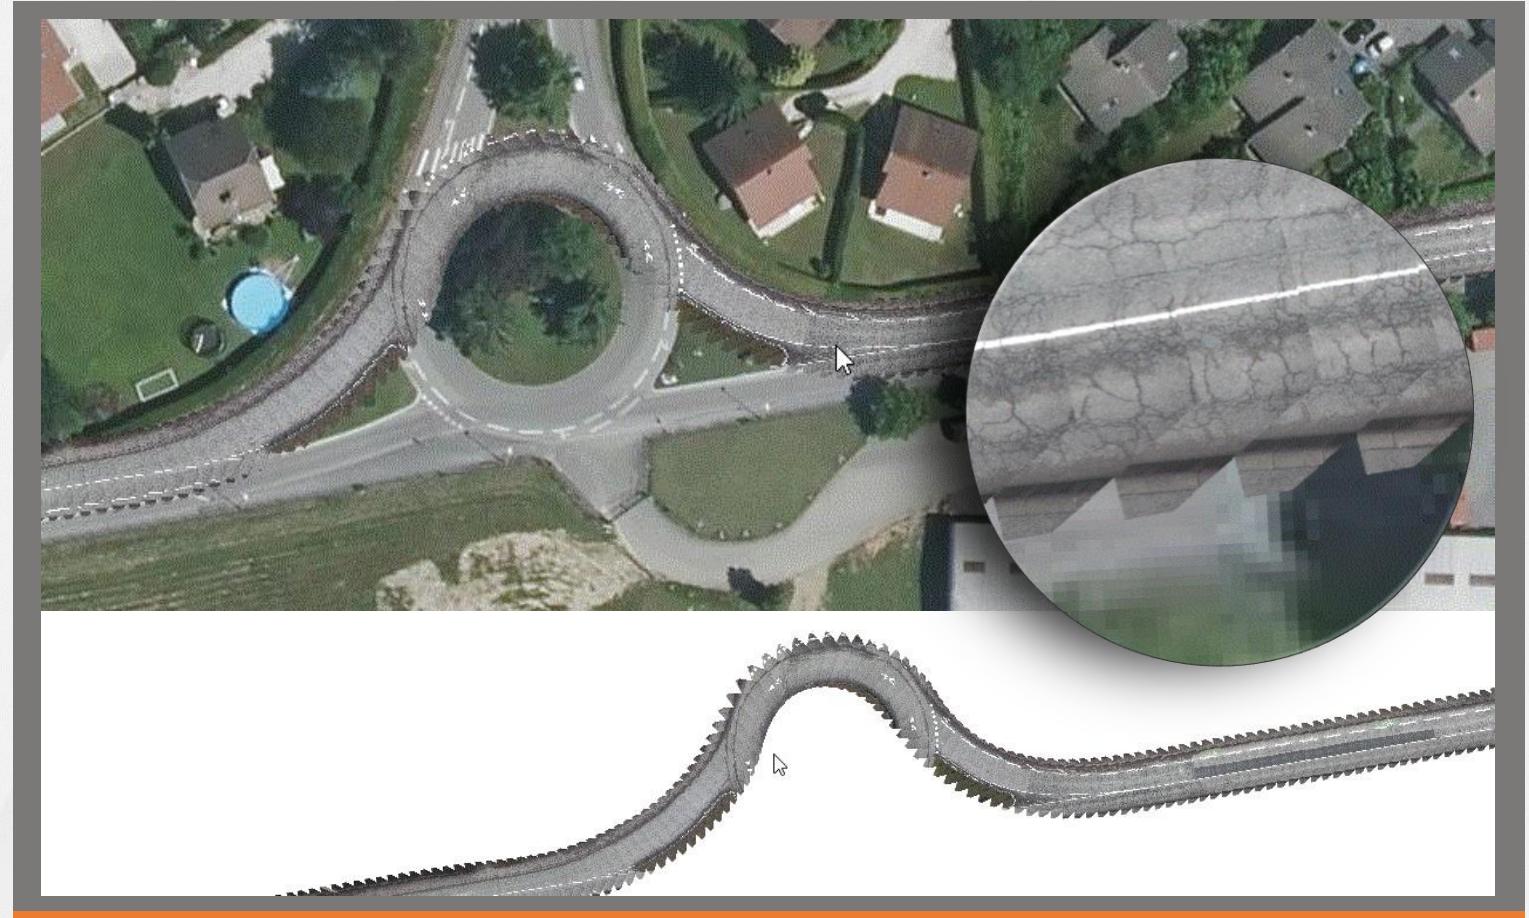

## ORTHOIMAGES

### » Modul OrthoPhotoRoute

- Vedere ortofotografica
- Strat cartografic suprapus pe un cadru de referinta la scara mare (IGN)
- Cartografiere de inalta rezolutie

»CENTRUL EXPERT»

## CENTRUL EXPERT

- » Integrare, metrologie, mentenanta si dezvoltare personalizata

INTEGRAREA  
VEHICULELOR

## INTEGRAREA VEHICULELOR

### » Dispozitive multifunctionale

- Auscultare – starea suprafetei
- Inventarierea patrimoniului rutier

### » Integrare

- Interfete electronice
- Adaptari si montaj mecanic
- Câblaj

### » Servicii

- Dezvoltare de software
- Calibrare
- Mantenanta si asistenta tehnica
